WOMEN TAKE NOTICE!

A man cannot understand the torture and suffering many women endure uncomplainingly. If the majority of men suffered as much pain and endured with patience the weakening sicknesses that most women do, they would ask for immediate sympathy and look for a quick cure.

Many women have been saved from a life of misery and suffering by turning to the right remedy—Dr. Pierce's Favorite Prescription—a remedy which is safe to take because containing no narcotics, alcohol or injurious ingredients. It is an alternative extract of roots, made with pure glycerin, and first given to the public by that famous specialist in the diseases of women—Dr. R. V. Pierce, of the Invalids' Hotel and Surgical Institute of Buffalo, N. Y.

Mrs. HESTER.

Mrs. Lizzie M. HESTER, of Lincoln, Neb., 620 *C* St., says: "I send a testimonial with much pleasure so that some suffering woman may know the true worth of your remedy. I was a great sufferer from female troubles but after taking one bottle of Dr. Pierce's Favorite Prescription, which a friend advised me to take, I found myself very much improved. After taking three more bottles, and using two boxes of Dr. Pierce's Lotion Tablets, I found myself on the road to recovery. I was in poor health for five years but now I am cured."

"I hope all women suffering from female weakness will give Dr. Pierce's Favorite Prescription a fair trial."

Doctor Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.

Mrs. Lenard Childers.

Mr. and Mrs. T. S. McClure, Mr. and Mrs. J. H. McClure Elizabeth and John Burgess and Mrs. C. T. Rice took dinner with J. P. McClure and spent a very enjoyable day.

ROSES.

SUNDAY SCHOOL ASSOCIATION.

The Executive Committee of the Lawrence County Sunday School Association, in its regular April meeting, decided that the twenty-second annual convention of the Association shall be held in the new Baptist Church in Louisa, July 10 and 11, 1912. The programme is already completed and a most excellent one it is. G. A. Joplin, D. D., General Secretary of the State Association, Miss Maud L. Dance, assistant to Miss Nannie Lee Frasier, of the Elementary Department, and Mrs. Agnes L. Elfort, State Superintendent of Temperance and Purity will be with us this year. Never before have we been able to bring to our county so many experts; it will be like going to a State Convention. Surely, every school will want to be represented by several of their officers and teachers.

Dr. Joplin is a practical Sunday School worker and a most pleasing speaker. Miss Dance is perfectly at home on the platform and is sure to charm all who hear her. Mrs. Elfort is a splendid speaker, and having made Temperance and purity a life study, will bring us something tangible and interesting.
